Dear Colleague,

The ACC's Annual Scientific Session and i2 Summit (i2) will be in Atlanta, Sunday, March 14 – Tuesday, March 16. ACC.10 and i2 will feature numerous, dynamic and interactive learning opportunities including proven large and small state-of-the art lecture venues, meet-the-experts sessions, roundtable sessions, didactic and live case sessions, exciting invited speakers and several new and exciting formats.

In honor of our continued focus on global cardiovascular medicine and the ACC's efforts to support the work of national societies, we are pleased to offer your members an extraordinary offer. This offer will allow your members to register for full-access to ACC.10 & i2 for only **\$299!** Included in this special rate is one year of ACC International Associate Membership. Through International Associate Membership your members can gain access to all of ACC's special member benefits such as access to Cardiosource and the JACC Journals on-line.

For your members to take advantage of this special rate all they have to do is go to <http://acc10.acc.org/CVSociety> and download the special ACC.10 and i2 Summit registration form and membership application. Send the completed form and payment information to Areana Quiñones via e-mail aquinone@acc.org or fax +1.202.375.6848. The ACC will waive the membership application fee and sponsor letter as long as applicants are members in good standing of your CV Society.

It's as easy as that! Act fast as this offer will only be available until **February 3, 2010**.

If you would like to learn more about ACC.10 and i2 Summit 2010, please visit our website at <http://acc10.acc.org>.

As we endeavor to reach out to more cardiovascular professionals around the world we hope that 2010 will bring new opportunities for collaboration and partnership. If you have any questions please email Areana Quiñones (aquinone@acc.org) in our International Affairs department.

I look forward to seeing you in Atlanta.

Sincerely,

A handwritten signature in cursive script that reads "Alfred A. Bove".
